SATURDAY, FEB. 2, 1861. REPUBLICAN POLICY.-The Chicago Trib unc expresses itself as follows:

My DEAR SIR: I am much indebied to you for The semi Secessionisis of this State indulge in have read with much satisfaction. No subject, as great deal of unmeaning talk about the everci-seceding States, about civil war, and of il iention of the Republican party to precitia ers and Seceders have erceted that superstrucheir narly as to the issues involved in the prereion against any State, and if civil war is in orm. When colonies we certainly were not. We were parts of the British Empire, and although ionists, and the responsibility of it will rest or specied government, we were connected i hoose to scnil Senators and Representatives hev will not permit loyal citizens to dischar have fully shown, not only revolutionary it awn people will be the principal sufferers. If the sign, the State or States must be attached to i nearest judicial district which remains I yal. n source, and operated on the whole mass, the revenue from customs cannot be collected it the sea-ports of the seceding States, then the lar timental treasury. The Declaration of Indeslablishing these ports of entry must be red the foreign commerce of the recusant Sta summarily stopped. There is no coercion about all this surely—there is no civil war. The Federal Government has thus far committed no act

We think that the Republican leaders had better, in this crisis, look matters squarely in the face. The theory put forth in the paragraph above from a Republican organ of abilily nmy seem very plausible to some, but we fact we have always been united in some re can assure them that any attempt to carry i out in practice would bring fearful calamitie upon both sections of the country. If the Federal Government, when a Southern Con peaceable constitutional Secession is asserted. federacy is framed, undertakes, by the blocked of Southern parts, to cut off all commerce ie idea of complete sovoreignty of the States nveris our Government into a league, and, if rried into practice, dissolves the Union. from them, the proceeding will not long be unavenged, for the means of vengennee will be I am, dear sir, yours affectionately,
J. MARSHALL. ohvious and abundant. The Southern Con deracy will at once declare war against the

Northern Confederacy and prosecute it with al the energies at her command. And those energies could and would be excrted with terrible effect. The Southern per ple, upon their rivers and at hundreds of t most favorable points along their two thousan miles of coast, would get up hundreds of armed raft to act as privateers upon the ocean and especially along the whole line of the Eastern shore of the North American continent, seizir and confiscating the vast commerce of the Northern States whilst the entire commerce the non-slaveholding States upon the Missis sippi if not the Ohio would also be cut off In such a condition of things reckless and desperate adventurers from all sections of the the flag of the Somhern Depublic and depre-Northern desperadoes, like those who a few outhern privateering than it did from British privateering during the war of 1812. It would

It may be said that the United States Go unicut, or rather the Northern Government, Confederacy and to repeal all laws making the to interfere with Southern commerce, the Sout would not hesitate a moment to resist and r sent such acts of aggression by immediate war

war, the desolation in the North would be almost to crush out the corresponding senested in the speedy and effectual adjustment, upon any lasis reasonably just and fair, of the issues that now deeply imperil their welfare and the welfare of the present and future generations of mankind. If they fail to make an numicable adjustment, their failure will be such numicable and until wrongs not to be endured to the required to raise at least six inilitions of dollars, in addition to raise at least six inilitions of dollars, in addition to raise at least six inilitions of dollars, in addition to raise at least six inilitions of dollars, in addition to raise at least six inilitions of dollars, will be a ways resolute in supporting the laws, have been by a gallant people are perpetrated, would be be prepared to throw off his allegiance to the Federal courtery, the hundred millions. If there to raily. Without doubt, large numicable at least six inilitions of dollars, will be a ways resolute in sup ful penalty that must inevitably follow. ()h. it is no time to quibble about party platforms when the destinies of more than an empire for weal or for woe are at stake!

THE SOUTH IN EARNEST.—No people on the face of the earth were ever more deeply and more is much better calculated to relieve the distress ave persisted in regarding the South as | not but have a tendency to attract to that State

We are glad to be able to agree with the Courier in any matter of national policy at to transact their own business in their own good to u.? The secessionists of Mississiph suggest that their State should amend her constitution so as to remove the prohibition against her hornwhence their waters are tributary to the lakes.

North and to attach us to them? We find Washington in the North and Greene—Washington in the North and Greene—

Mr. Wolfe made a beautiful episodical reference the following:

Cot. Blanton Duncan.—Our only comment upon Col. Duncan's speech of Wednesday night, is to refer the reader to extracts of the Address their Northern Plack. Brookly in the Union. He was at the following:

Cot. Blanton Duncan.—Our only comment upon Col. Duncan's speech of Wednesday night, is to refer the reader to extracts of the Address thoughts than talk in dissolving the Union. He were upon Consummation.

We need not deceive ourselves as to the charac-

thirds, might ultimately find favor with the people of South Carolina, "provided New England, that plague spot of the continent, were excluded."

People of Kentucky! you have thus placed before the would read to health the sent properties of W. L. Yanger, who is now the recognized and almost worshiped leader of the exclude the States controlled by the spirit of abolition. There are many in Georgia however who prefer absolute State independence to joining in a Southern Confederacy, you like its possible properties to the state independence to joining in a Southern Confederacy, you like its possible properties to the state independence to joining in a Southern Confederacy, you like its possible properties to the state independence to joining in a Southern Confederacy of the state independence to joining in a Southern Confederacy of the state independence to joining in a Southern Confederacy of the state independence to joining in a Southern Confederacy of the state independence to joining in a Southern Confederacy of the state independence to joining in a Southern Confederacy of the state independence to joining in a Southern Confederacy of the state independence to joining in a Southern Confederacy of the state independence to joining in a Southern Confederacy of the state independence to joining in a Southern Confederacy of the state independence to joining in a Southern Confederacy of the state independence to joining in a Southern Confederacy of the state independence of the individual of the state independence of the individual of the state independence of the more years to the more years. The state is described in the election of delegates. This is in direct continuity, and that then the following resolutions were rejected in the state of the more years. The child the state is a convention, and that then the following resolutions were rejected in the state of the more years. The child the state is a convention, and that then the following resolution is the more proposed in the confederacy of the more years.

spirit, in overthrow the Federal Gave nment? The There is a stmlight sweetness and ten-Constitution of Kentucky falls to the ground fullines, as there is always in the poetry of when we remember the relations of the State with Miss Smith: There has been much good feeling exhibted here the Federal Government. Destroy the connecsidering their hasty action, will return to that thally a change of her Constitution, and It is I'nion nuder which they have derived all their | value to say no one intends that change, but only

power and greatness. There is no indication more to alter the relations with the Federal Governand Idustering little politicians as confidently a time when all calmness is requisite. I think thious sons to Washington, is it not worth while as if it were an axiom. We therefore take that the position taken by Col. Hodge, of Camp- to wait for their notion and for the result of the leasure in publishing the following letter from bell, in yesterday's debate, in opposition to a peace council to be held at Washington? Ilad we him written in 1833 to his cousin Humphrey Southern Confederacy, will be sustained by a not better wait until May than take steps which large number of his party friends, or perhaps I | would throw Kentucky into convulsions and rend should say his former party, for there is a noble her intofragments. So much has been eloquently and patriotic changalion of all partisan ties at said that he felt repugnance to pursue this dry this crisis of danger to the country. Col. And we are to see the last at least for some time, of our charming little favorites, Miss Emma and lulga many regrets at the parting. But the imression they will make this evening upon the minds of their admirers will be a lasting one, as they will appear in their most altractive charse
There are rumors of a conspiracy to assassinata into this country, to protect the interests of Louisiana, has averaged more than seven millions in Goods. Evening Silks, Hoelery, &c. thay will appear in their most altractive charscters, the programme embracing the Beauty and the Beast, the farce of the Four Sisters, in which Miss Emma will personate no less than four char ters, and Mischief-Msking.

A KENTUCKIAN SUES RARREY .- An ection has een commenced in the Supreme Court against Mr. Rarev, the horse tamer. The complainant Is Mr. Denten Offutt, of Kantucky, a genileman well known in this city. He alleges in his complaint that the system of horse-taoning adopted hy Mr. Rarey was imparted to the latter ten years ago, who entered into a bond, agreeing to pay \$50 for every time he imparted the secret.

Mr. Rarey admits signing a bond as stated, but

dominant party; and as New York City is represented by men who have always stood up for the 22d ult., says: claims that his system is unlike that of the complainant. On the part of Mr. Offutt, as proof of a book of his, entitled "Offutt's Method of Genting Horses." This book was published in Lexngion in 1850, and unfolds the "strap process" sed by Mr. Rarey. To the bond are appended Botts, and other leading men of the South. Mr. Rarey is said to have accumulated some \$200,000, and enforcement of the conditions of the bond, it is said, will strip him of his earnings, and leave

FOUND DEAD .- On Saturday last, the dead body of a negro man was found in a home field them. tupon the farm of Thomas II. Wilson, on Cooper'a Rnn, in Bourbon cuunty. The Paris Citizen

WHEREAS, The State of Virginia has transmitted to this State resolutions adopted by the General Assembly, inviting such States as are will Rnn, in Bourbon cuunty. The Paris Citizen says that he had evidently been dead for two weeks nr more, and the cause of his death could not be certainly ascertained. It is probable, however, that his death was caused by exposure. The body was not identified, but it is believed to have been that of Peter Grant, a well-known free man of this lown, who has been missing for near a month, and who was a great drnnkard.

Rnn, in Bourbon cuunty. The Paris Citizen says that he had evidently been dead for two weeks nr more, and the cause of his death could ing to unite with her, in an carnest effort to adjust the present unhappy controversies, in the spirit in which the Constitution was originally for a single day, can, the rest of his natural life, for a single day, can, the rest of his natural life, for a single day, can, the rest of his natural life, in the city of Washington on the fourth day of February next, to consider and, if possible, agree man of this lown, who has been missing for near a month, and who was a great drnnkard.

The Senator sees a dissevered country. He saw returning reason, a dissevered country. He saw returning reason, large that the boundary of all persons subject to the boundary of all persons subject to the boundary of the bou dement and barmony in the Union, and the Hold them the Crittenden compromise must be many years between Massachusetts and Rhode Washington, Jan. 31. The Times' correspondence says it is understood here that the lirst movement in the Board of ithdrawal of the Federal troops from the capita no hostile demonstrations affecting the peace

Reperted for the Journal. XXXVITH CONGRESS-SECOND SESSION. Friday's Proceedings

Washington, February I. Senate .- Mr. Ten Eyck prescoted the joint respointing Commissioners to meet other States and instructing the Senators and Representatives of neople, for the Constitution recognizes the people manded unconstitutional ac ion he still would be of the Union, but failed to see anything in the action of the Senator from Virginia to encourage would do us well as a man. He referred to a former occasion when a Senator of New Jersey Virginia said he wanted no coercion. He was applied by the Senator from New Hampshire

Mr. Trumbull offered a resolution for the applied by the Senator from New Hampshire (Hale). He was pained also when the Senater from N. Y. this morning was med in such a spirit, as if he feared moderation would prevail. There seemed to be concert between extremists of both the senated to be concert between extremists of both t The President's message was laken np.
Mr. Latham made a Union speech, and said t

craphed to the South there was no hope, as any settlement which will satisfy the South, and wanted to see the action of the Republicans, and it was evident there was no hope.

Mr. Douglas said he never ceased to hope while

Mr. Douglas said he never ceased to hope while

Mr. Douglas said he never ceased to hope while Mr. Hale expressed surprise that the Senator from Illinois regarded with surprise the approbation he showed at the remarks of the Senator from Virginia. The latter said the people of Virginia are satisfied with the Constitution, and asked no concessions. He was willing to take the Constitution as it was. The best loopes of mankind were freighted in the ship of the Union, and one but madmen would give it up to try a new experiment. It had been said that New England, he would say God bless them. He paid an elegant try could get along without New England, he would say God bless them. He paid an elegant tribute to the enterprise and iodustry of New England. He might go to the cotton fields of the Course.

to present another which the North could not accept without disgrace. If the object was to carry on slavery prepagandism, he could not be connected with it, let the consequences be what they may. He repeated what he asserted last session, the project of a Southern Confederacy will ignominiously fail. He concluded with an eloquent appeal for the perpetuation of the I'nion.

The House again went into Committee on the deficiency bill.

Sickles advocated the Chiriqui amendment. Recess till 7 o'clock.

Evening Session—Mr. Farnsworth, of Ill., made a Republikan epoech. We was against the report of the Committee of Total and the recent of the remain under a territorial government, and allows the following, which Recess till 7 octock.

Frening Session—Mr. Farnsworth, of Ill., made a Republican epeech. He was against the report of the Committee of Thirty-three. He would not give an inch vantage ground to slavery.

Mr. Avery, of Tenn., replied to the speech of his colleague Etheridge, which he termed extraordinary and unnatural. He said the people of Tennessee would be satisfied with nothing short of the Crittenden preposition.

Mr. Niblack, of Ind., was willing to grant the Mr. Niblack in the Ind. was a desired to authorize any department, and allows territory north of sading wernment, and allows territory north of that line while in a territory south of that

TEXAS LEGISLATURE. —A letter to the News, Capt. Rogers, of Ellis county, who went ou After the assemblage of the Legislature this morning, a resolution was offered in the House of Mr. Douglas said he never ceased to hope while there was hope, and that he saw indications to-day. Why not the amendment that Congress has no power to legislate on the subject of slavery except to perform the fluties regarding fugitives and prohibition of the slave trade. With that we might have peace.

I nion, provided he can show them now, by such fighting, they can maintain the liberty, fraternity, and equality of their Southern brother of the has no power to legislate on the subject of slavery except to perform the fluties regarding fugitives and prohibition of the slave trade. With that we might have peace.

I nion, provided he can show them now, by such fighting, they can maintain the liberty, fraternity, and equality of their Southern brother of them that Gov. Houston based his late proclamation, ordering an election of seven delegates to a Southern convention, to preserve our rights "in" the Union, and to be held when-being the was willing to vote for the propagation against the Indians, to organize at Lost Valley, in Jack county. A number of men have year on majority of Southern Governors should ask it. The resolution to repeal passed through was that the Senator of Southern Southern that the season one of them that Gov. Houston based his late proclamation, ordering an election of seven delegates to a Southern convention, to preserve our rights "in" the Union, and to be held when-being the was willing to vote for the preparations were made for an experience of the season of the season of the season of them that Gov. Houston based his late proclamation, ordering an election of seven delegates to a Southern convention, to preserve our rights "in" the Union, and to be held when-being the was willing to vote for the preparations were made for an experience of the proclamation of the season of them that Gov. Houston based his late proclamation, ordering an election of seven late proclamation, ordering an election of seven late proclamation, ordering an election of seven late proclamation, ordering an electi

After any singland. He might go to the cotton fields of the South and see, but for New England, that eolten which they call King, would be a beggar. It was also said that the Northwest was going off. Well, good-bye, but give us back our jewels, give back the Senator from Illinois with his great principles, for he belongs to us. If Ohio goes, give back her thundering orator, Wade, for he belongs to us. If Ohio goes, give has been constitutionally elected the Representative from Kansas. As this was the itest time his right to a seat had been questioned, and us he yested by took oath from the Spaker without any objection, he thought Mr. Hindman should from the House as to the reason which rountry, but if the South insists let them go, and when they return we will kill the fatted calf.
